SPRING IN TO THE NEW SEASON

Dear Customer

Spring is here and we are ready to embrace the new season after too many months of being inside, separated from family and friends. It's finally time to begin thinking about enjoying more time outdoors and al fresco dining with loved ones. Our Garden furniture will help you achieve the ultimate outdoor oasis this year, although there is limited stock. We recommend you choose your pieces early so you can spend the warmer months lounging in luxury.

The safety of our team and customers remains at the heart of our operations and we take this more seriously than ever. We will continue to offer our one-to-one appointment service in our showroom and free sample delivery service if you would rather remain at home. We want you to rest easy in the knowledge that our fitting and delivery teams are all equipped with the necessary PPE and will always adhere to the appropriate social distancing guidelines for both your safety and theirs.

At Lees our aim is to make your experience as safe, easy and enjoyable as possible. In addition to our showroom, you can take a look at our website to view our extensive range of furnishings. We are always on hand for you to engage with for your ease and efficiency throughout your journey.

Colours this season are natural and earthy, drawn from nature which work beautifully with a traditional sofa or timeless armchair as well as full-length curtains. Modern pieces for the more contemporary taste are brought to the fore this season such as large footstools, mirrors and statement lighting. Whether you enjoy calming tones or a punch of colour to liven your spirits, your taste is traditional or contemporary, we all welcome the new season with relish and fervour for all things Spring.

We are sure you will find something to suit your style in our Spring catalogue and we hope you enjoy leafing through the pages. Finally, we would like to thank you for your continued support during these unforeseen and unusual times.

Yours sincerely

Graham Lee
